# The Elba Clipper

VOLUME 69

ELBA, ALABAMA 36323, THURSDAY, JUNE 22, 1967

NUMBER 48

CHRISTIAN ATHLETES RETURN FROM CAMP. Three members of the Elba chapter of the Fellowship of Christian Athletes have returned from a conference at Black Mountain, North Carolina. They are, from left, Eddie Cooper, Jimmy Hart and David Stokes. Funds for this trip were provided by an offering received at the Community Thanksgiving Service last November.

## Helicopters Crash - Kill Two Near New Brockton

A fiery helicopter crash claimed the lives of two flyers and cost another a leg early Monday morning near New Brockton. Both helicopters were from Fort Rucker.

The Army identified the dead as H. C. Gambrell, age 34, of Brinson, Georgia, and 2nd Lieutenant Peter J. Arnold, age 22, of Bay Village, Ohio. Gambrell was an instructor pilot employed by Ross Aviation as was Shiron L. Temple of Enterprise, who was the injured pilot in the crash.

The Enterprise Fire Department and County and State law enforcement officers responded immediately to the call for help following the crash.

This brings to seven the total of helicopter pilots stationed at Ft. Rucker who have been killed in crashes this year.

NEW JAYCEE PRESIDENT Wayne Steward is caught in the traditional "pinning" ceremony at the Jaycee installation banquet last Saturday night.

The "pinning" is performed by the wife of the new Jaycee president each year. Jaycees recognize that a successful Jaycee president must have the help and support of his wife and this is her pledge to help.

When Deanne Stewart pinned the president's pin on her husband's lapel she is indicating "I will help make your year as president a success".

FOLLOWING THE JAYCEE BANQUET at the Elba Country Club, outgoing president, Bill Fulllove and his wife, Sue, chat with State Vice President Dick Kelley, of Enterprise, right, and guest speaker Jim Hart, of Montgomery. Hart is Executive Vice President of the Alabama Petroleum Council and an active Jaycee.

Hart formerly wrote the "Traveling Alabama" series of articles that appeared in this and many other Alabama newspapers.

The speaker gave an interesting and inspiring talk on the many benefits of the Jaycees. It was evident to the listening audience that Hart knew his subject, knew how to talk about his subject, and was experienced in making interesting and effective speeches.

Guests receiving awards for service to the Jaycees during the past year were: Sawyer Candy Co., The Peoples Bank, The Elba Clipper, New Brockton Propane Gas, National Security Insurance Co., and Mr. Bernard Martin.

## Brockton Lady Bitten By A Stick

Late Tuesday afternoon of last week, Mrs. Lucile Hayes of New Brockton, was bitten by a poisonous snake while working in her flowers.

She picked up what she thought was a stick and before she could turn it loose she was bitten three times on the hand and lower arm. It is not known just what kind of snake she picked up because a later search failed to turn up one of any kind. Authorities surmise that she picked up either a Copperhead or a ground rattler. The Copperhead is the most popular belief.

Mrs. Hayes was rushed to Enterprise hospital where she was treated and her entire arm packed in ice to control the swelling as much as possible.

She was later moved to a Mobile hospital by her son, Dr. Robert Hayes, Jr., a practicing physician in Brewton. Medical authorities feared that Mrs. Hayes may lose some of her fingers but latest reports have not indicated any yes or no answer to this question.

WHAT DO THEY SEE? For a view of what these Little League baseball enthusiasts are seeing turn to page 5.

## Dr. Miles Elected As Lions Club President

The Elba Lions Club installed Dr. M.V. Miles as president at a recent meeting. Miles and other new officers will take office in July.

The officer installation was conducted at the annual Ladies Night on the night of June 18th. Don Segrest, District Governor of Lions International, performed the installation ceremony. Segrest is from Union Springs, Alabama. He was accompanied to Elba by his wife, Judith.

Lions officers to serve with Dr. Miles for the coming year are: 1st vice president, Dr. Bancroft Cooper; 2nd vice president, Leroy Miller; 3rd vice president, Marrell Whitman; secretary-treasurer, J.D. Lowery; tall twister, Joe Bruce; lion tamer, Wilson Dyess; directors, Fulton Clark, Mack King, Flournoy Whitman and Ben Brock; immediate past president, Waylon Sharpless.

## Sgt. Jackson Wounded In Viet Nam

T/Sgt. Henry A. Jackson, U.S. Air Force, whose wife Millie and three children lived in Riverview, has been wounded in Vietnam, according to reports received here by his wife, Jackson is the son of Mr. and Mrs. H.A. Jackson of Zion Chapel.

## Elba Youth Killed In Wreck

One Elba youth was killed and another suffered minor injuries Saturday night in a crash involving two automobiles.

The dead youth was James Kenneth Miller, age 18, driver of one of the cars. The injured youth was Jim Lott, age 17, who suffered a broken tooth and bruises.

Hodges, who was not using a seat belt, was thrown from his skidding car and Lott's car went into a ditch about 75 yards further down the road.

The accident, on Highway 84, West, happened at about 10:45 P. M.

## Mullins Named Chairman Of Water Board

At the June 15th meeting of the Water and Electric Board, Dr. P. M. Warr resigned as chairman of the Board. Mayor L. P. Mullins, a current member of the board, was elected to fill the chairmanship.

Warr did not resign from the Water Board, only as chairman. He was reappointed by the City Council on Monday night to fill the vacancy on the board created by his expiring term.

## County Citizens Buying Tags In Large Numbers

Records in the courthouse indicate that Coffee County is headed for an all time high in population if the number of motor vehicles is any indication of the number of people living here.

As of June 15th more motor vehicles had been issued licenses during the current year than were issued during the entire year of 1966. The county has already exceeded the 1966 total by over 600 vehicles.

If the present trends continue Coffee County will exceed 20,000 registered motor vehicles in 1967. This included cars, trucks, mobile homes, boat trailers and other motorized or pulled vehicles not primarily used on the farm.

## Swimming Classes To Begin

Coach Ray Flowers has announced that swimming lessons will begin in Elba on Tuesday morning. The classes will be taught on Tuesday and Thursday at 11:00 and last for six weeks.

This is for everyone six years old or older who cannot swim. The course will be taught at the City Pool.

## Andy Fins' Perform At BPW Meeting

The Elba Business & Professional Women's Club held its regular meeting at the Elba Country Club Monday evening, June 12, performed in a definite pattern to synchronize with their annual picnic.

Andalusia's Andy Fins entertained the group with several acts from the water show they will present in August. The Andy Fins is an aquatic group this delightful BPW meeting using synchronized swimming.

## Jus' Ramblin'

By

LUCILE K. WOODHAM McRAE

SETTING A CAMERA to take a picture of a bird or animal in action when they don't know they are being photographed can be a setting, indeed. If you find on the negative you have caught someone in the "act of being themselves" you can be mighty disappointed in that person. But a photographer does not always set up a camera to take the picture he finds on the negative when it is developed. It can be real disturbing.

When a photographer wants to get a picture of a bird, a squirrel or a rabbit in a natural setting and ends up with "a person" who should not have been there in the first place is not funny and would be very embarrassing, especially if the photographer should decide to "put it in the paper."

When there is a problem to be solved or a project to be completed, too many people have a tendency to say, "Let George do it." The trouble is that today "George," all too often, turns out to be the federal government.

It is refreshing and encouraging to find the people of Thomaston, Connecticut, pitching in with work and money to accomplish by their own effort what they feel is necessary for the betterment of their community. They have set out to raise some \$25,000 required to renovate and reopen the town's 75-year-old opera house.

This is a big job for the people of a small community to accomplish. They deserve support on two counts. First of all, they have the perception and good sense to seek preservation of a town landmark of artistic beauty and historical significance.

Too many cities and towns turn their fine old buildings over to the bulldozers in favor of characterless chrome and glass cube buildings. Secondly, any revival of citizen and community self-reliance is good news for the whole country. It could be catching, and it should spread far enough, it might even save us from big brother government and national bankruptcy.

WE'VE BEEN eating more of the delicious peaches from the Otis and Tommy Mathis farm as you can see by a picture appearing in this issue of this newspaper. In fact we have eaten so many peaches lately that if we should get cut to the bleeding stage we would bleed peach juice instead of blood.

This is the second crop for the Mathis' peach orchards. They have 30 acres in peaches and several varieties ripening at different times. So if you missed out on the first crop hurry over for your part of this crop.

THE BIG DAY is now right at the door. Saturday will be Florida's annual big day and I am looking forward to a very active day. Several of us from

this newspaper will be traveling with a camera and there is no telling what we may capture on film for reporting next week and gathering for the centennial celebration three years from now.

I wish I could give credit to those who have worked so hard toward the celebration. Betty and James Denney are throwing all their weight and support to a good parade. Lee Newton has spent many hours whipping up the beauty contest to find "Miss June 24th" for 1967-68. Several have worked hard toward other features of the day's activities. It is impossible to name them all, but everyone has in mind that visitors enjoy the day in Florida Saturday.

I STILL can't understand this sudden rage of destruction of property and harm to people. A crime wave is growing across the nation and we read of pitched battles of various groups with police in the streets, etc. Even children in the 11 to 16 age groups commit a lot of the property offenses and many of the criminals arrested are reported in the age bracket of 15.

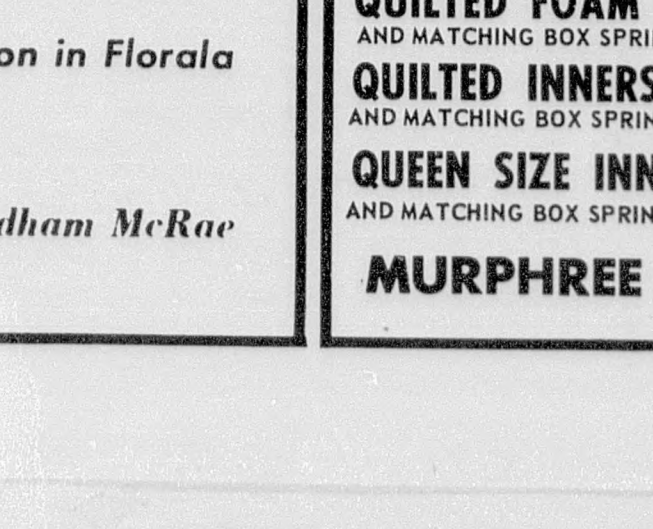

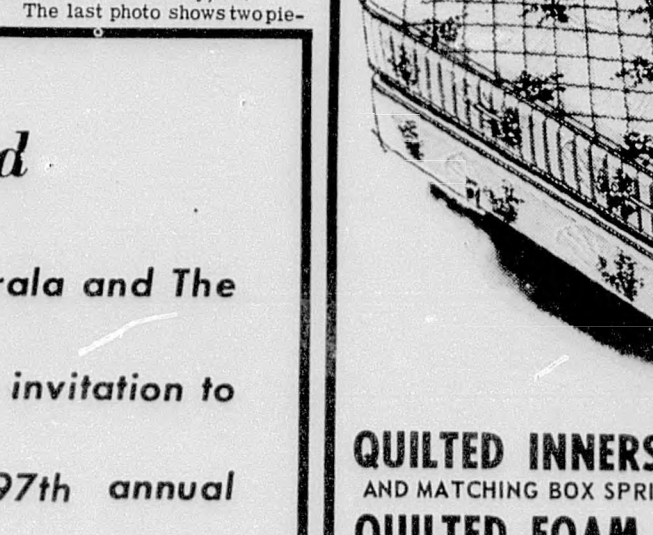

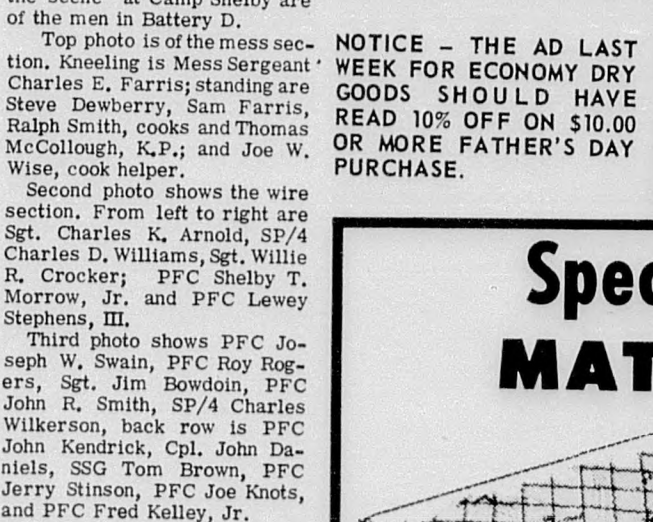

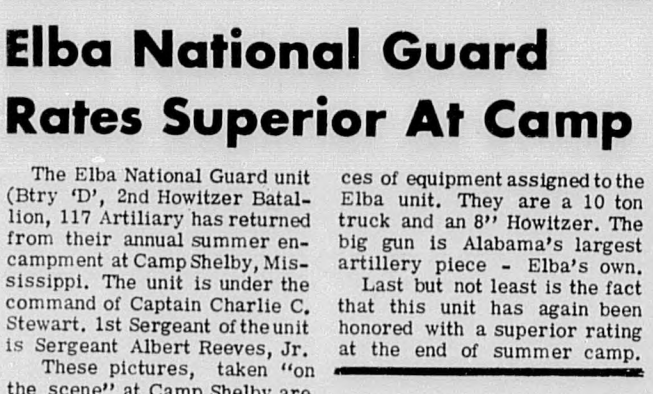

According to an article in the Industrial News Review an AP dispatch from Los Angeles a judge recommended for women an arsenal ranging from a six-inch hatchet to a derringer for use in protecting their lives and virtue. He said that since you can't keep them concealed a woman feels a hatchet would not be construed as a concealed weapon. And the President is urging federal and local authorities to take action. But it seems sorta like me the federal government might actually be the cause of this "rage of crime waves".

NOW TELL me how could you prove the birthplace of a rattlesnake. The County Commissions in Okaloosa County, Florida, here at Florida's door, have placed a bounty on the carcasses of any rattlesnake, dead or alive, that is brought to the sheriff's office so long as it is born and bred in Okaloosa County. No one seems to know just how its birthplace is going to be determined.

I would like for them to take a few of these growing here in the Southeast part of Covington County.

A SHORT item in a Georgia newspaper several months ago gives us some idea as to why the kids are running wild today. It used to be that papa dealt out a stern code of discipline to junior. Then the safety razor took away his razor sharp, fur-tacuses took away the woodstock and tax worries took away his hair and the need for a hairbrush.

That's why kids are running wild today, according to the article. Dad ran out of weapons.

## IT'S UP TO YOU

By Howard E. Kershner, L.H.D.

Dangerous Agreements

THE current series of talks between the U.S.S.R. and the U.S. seeking an agreement to curb both offensive and defensive missiles, in my opinion, is just another attempt to further their objectives by negotiating. By violating the previous nuclear test ban treaty the K's obtain great strategic advantages in their knowledge of the powerful X-rays resulting from nuclear explosions in space. Because our government respected the agreement, our scientists do not have this important knowledge. We are even now at a great disadvantage, as compared with the advantage of the Soviet Union to reach an agreement limiting the missile and anti-missile race. Because in this very important respect they are far ahead. If by negotiating they can freeze the status quo, it will be difficult, if not impossible, for us to catch up.

Furthermore, our government should never lose sight of the fact that the U.S.S.R. will renounce any agreement that might be reached whenever it appears advisable to do so, and that even before it may be denounced, it will most assuredly be violated. If this appears advantageous to the Soviet Union, the nation and the defense of our country is the defense of the nation and the defense of the nation.

A total weakness in the defense of our country is the defense of the nation and the defense of the nation.

NUMBER 49

## Golf Tournament Is Planned In Elba

The Elba Country Club will hold the annual membership Roy King Memorial Golf Tournament on Tuesday, July 4th. This is the third straight year this tournament will be held. Trophies will be given to winners of each flight and also trophies for runner-up. Winner of the championship flight will receive a club trophy and his (or her) name will be placed on the Roy King Memorial Trophy that remains at the club. The Jewel Box will give to the first person making a hole-in-one, a beautiful Gruen watch. Other prizes are: closest tee shot to hole; No. 2-grease job at Amoco Service Station; No. 5-Wilson Golf ball from Hayes Hardware; No. 8-gold shirt, Board of Directors Elba Country Club.

## Elba Apparel Begins Vacation Next Week

The employees of Elba Apparel will be on vacation from July 1st through July 16th, according to information released by plant manager, Jerry Andrews. The seventy employees of the Elba plant will join some 2800 other employees of the eight other Alaflex plants in observing this annual holiday.

## Stores To Close Two Days Next Week

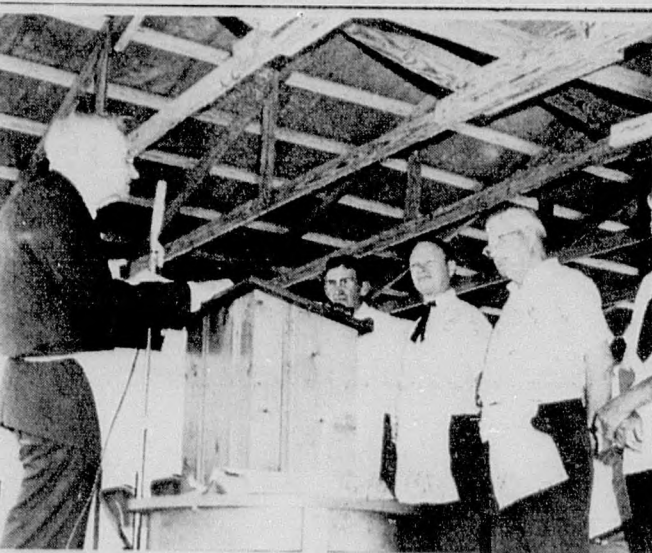

The Chamber of Commerce Business and Employee committee has announced that the Elba merchants will be closed Tuesday, July 4th and Wednesday, July 5th. Both of the Elba banks will be open on Wednesday July 5th.

**RECEIVES SON'S MEDAL.** James A. Gray, right, of (109 Newton St.) Elba, Ala., is presented his son's Bronze Star Medal received for valor in Vietnam. Private First Class Delacy Gray, a member of Company A, 5th Battalion, 60th Infantry, 9th Infantry Division, died Feb. 23 from wounds received from a booby trap. Making the presentation is Colonel Lester F. Schockner, deputy commander of the Army Aviation Center, Ft. Rucker, Ala. (U.S. Army Photo)

There will be an all one is invited. Tuesday, July 4th. Every day Sacred Harp singing at the Bethlehem Church located seven miles south of Elba.

**LET'S EAT Dorsey** style was the theme of the day last Friday when the employees of Dorsey Trailers held their annual summer company party. The upper group was responsible for frying the chicken, cooking the rice and seeing that it was all ready and hot at 4 P. M., when the food began. The lower photo shows a portion of the assembly line that was preparing the plates for the employees. They bagged up several hundred dinners ahead of the 4 o'clock eating time and still kept busy "building plates" until everyone was fed. The event was held a week early this year due to the inconveniences of holding it the last day before vacation. Dorsey vacations begin on the week-end prior to the 4th of July.

**W. N. SAUNDERS AND J. C. KELLEY** were among the Worshipful Masters installed in ceremonies at Florida last Saturday. Mason Jim Ingram of Troy was installing officer. Worshipful Masters being installed are from left: W. N. Saunders, Kinston Lodge No. 869, Kinston; Tom McDaniel, Andalusia Lodge No. 434, Andalusia; Fred Kelley, Stokes Lodge No. 609, Falcio; J. C. Kelley, Hacoda Lodge No. 631, Hacoda; and Vernon Robbins, Fidelity Lodge No. 685, Florida.

**NEW OFFICERS OF THE ELBA JAYCEES** are from left to right: Wayne Grantham, Treasurer; John Ford, 1st Vice President; Wayne Stewart, President; Dwight Wells, Secretary; Bobby King, 2nd Vice President; back row, Charles Ellis, James Snadlos, Bill Fullilove, Jerry Brown and Joe Ben Devane, directors. The officers were installed at the annual Jaycee banquet held recently at the Elba Country Club.

## Draft Call Set At 492 For County

State Director Hugh J. Caldwell, Jr., today disclosed a Selective Service call for 492 men to fill Alabama's 492 man quota. Nationwide the call is for 19,900 men. It was 19,900 in June, All Thursday morning. Mickey was rushed to an Opp hospital by his

**Snake Bites LOCAL YOUTH**  
Mickey Donaldson, of Curtis community, was bitten on the hand last Thursday morning by a copperhead. Young Donaldson, son of Mr. and Mrs. J. C. Donaldson, was trimming the shrubbery in the yard when he was bitten on the hand between the thumb and first finger. The incident happened at about ten o'clock Thursday morning. Mickey was rushed to an Opp hospital by his

## Registrars To Meet Four Additional Days

The Coffee County Board of Registrars will meet at the Elba Courthouse on July 3, 5, and 6th. The Board will meet in Enterprise on July 7, 8, and 17th, should meet before the become exigencies to cast a ballot in Coffee County Board on one of the above dates.

## Hog Growers To Meet Tonight

Coffee County Hog Producers and their wives will hear Dr. R. N. Terrell, specialist in Food Science at their mid-summer Pork Promotion dinner meeting in Elba June 29 according to Robert English, president of the Association. The pork promotion dinner will be held in the high school lunchroom at 7:30 P.M. Members of the meat packing industry in Coffee County are providing some of the pork products which will be served.

The Hog Producers association, through the Elba Pork Promotion Committee, has made special arrangements for this dinner which has been set up to focus attention on the nutritive value of pork. Hog Producers Association members appointed to the dinner committee are: L. B. McCall, Curtis Wilkes, and Wildon Bryan.

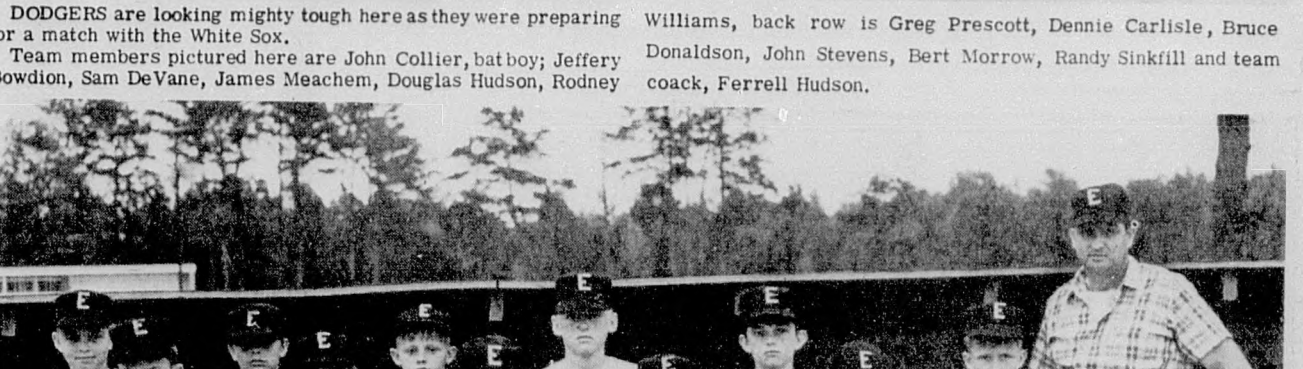

## Social Security Rep. In Elba On Tuesday

A Social Security representative will be at the Health Center in Elba every Tuesday from 9:30 to 12:00 noon, beginning July 11 through September, according to an announcement from the Social Security Office for this area. If you have any questions about social security meet with the representative any Tuesday scheduled to be at the Health Center in Elba, or visit the Dothan Office located at the Federal Building, 100 West Street, Dothan, Alabama.

## \$4 Million Set For Pilot Training

According to a release made last Friday by Senators Lister Hill, John Sparkman and Rep. George Andrews the United States Army has approved a \$4,032,847 contract for work to be done at Ft. Rucker and Ft. Stewart Georgia. The contract has been awarded by the Purchasing

**DOODGERS** are looking mighty tough here as they were preparing for a match with the White Sox. Team members pictured here are John Collier, batboy; Jeffery Bowdoin, Sam DeVane, James Meachem, Douglas Hudson, Rodney Williams, back row is Greg Prescott, Dennis Carlisle, Bruce Donaldson, John Stevens, Bert Morrow, Randy Sinkill and team coach, Ferrell Hudson.

**WHITE SOX** say "We are the best" and "We are first in everything". Pictured here are Steve Morrow, Mike Coppage, Gary Boland, Donald Grimes, Mark Hamm; back row, Jimmy Morrow, bat boy, Richard Moore, Joe Smith, Randy Stewart, Rodney Hamm, Charlie Windham and team coach Floyd Morrow.
